

Solid Shelves & Reinforcing Bars

beautifully versatile

Vertical Markets

Toys, Apparel, Giftware, Electronics, Bed & Bath,
Automotive, Housewares, Sporting Goods, Grocery &
Foods, Schools, and General Storage Solutions

We offer a variety of shelf supports specifically designed to work within our perimeter and floor fixtures—giving you the ultimate in display flexibility. Each can be used in various elevations as a base, intermediate level, or top. Heavy-duty reinforcing bars are also available for high-load merchandising.

Melamine Shelves The deck or base shelf of Wire Weld displays finishes the foundation of both the perimeter and floor units. Used in conjunction with our proprietary installation and reinforcing systems, the wood shelf is an excellent choice for any retailer seeking a traditional look. Available in white, black, wood grain, and custom options.

Glass Shelves Glass shelves are a custom option for smaller, delicate merchandise and high-end displays.

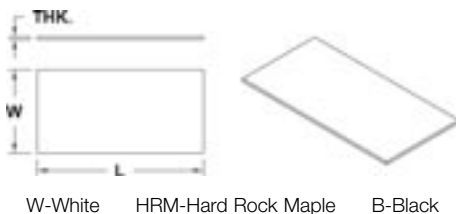

Other Options Other shelving options include wood, perforated metal, plastic, fiberglass, and sheet metal. Contact Wire Weld to learn more about what's right for your needs.
